Re: HPC 11.102 - 46 Bow Street

Dear Ms. and Ms. Palinha,

The Historic Preservation Commission received your application for a **Certificate of Non-Applicability** dated September 29, 2011 for proposed repairs to the above mentioned Historic Building which include the following:

1. Repair or replace damaged or rotted wood siding and trim in-kind as needed; and
2. Repaint

Section 10 of the Historic District Ordinance states that "Nothing in this ordinance shall be construed to prevent the ordinary maintenance, repair or replacement of any exterior feature within the historic district that does not involve a change in design, material, color or the outward appearance thereof..."

Since your proposed work falls under this section, it is not subject to the review of the Historic Preservation Commission, and this letter shall be considered to be a **Certificate of Non-Applicability** for the above work.

Please take this letter with you to the Inspectional Services Department when you apply for a building permit.

Good luck with your work!

Sincerely,

Kristi Chase
Preservation Planner
