At their regular meeting on Tuesday, August 16, 2011, the Somerville Historic Preservation Commission voted unanimously (7-0) to grant a **Certificate of Appropriateness** to

1. Install 1 iron gate for the patio to match those previously approved for Orchard and Chester Streets.

The Commission based its decision on your application, sketches, photographs and presentation at the hearing, Staff recommendations, photographs of the house, discussion and recommendations of the Commission members, as well as the Commission's adopted Design Guidelines for Historic Districts.

This letter is your formal notification of the issuance of the requested certificate. Please note that it is valid for one year from the date of this letter and must be re-validated by the Commission if substantial work has not been completed by the end of this period. Please take this letter to the Inspectional Services Department when you apply for a building permit.
