Accessibility Narrative

Assembly Line Park

To Whom It May Concern:

The development of Assembly Line Park will be designed in compliance with the following applicable codes and guidelines:

- Americans with Disabilities Act
- Massachusetts Architectural Access Board

521 CMR (MAAB) is applicable to all areas that can be accessed by the general public. Accessible routes will be provided to and from building entries.

The 2010 Edition of the Americans with Disabilities Act Accessibility Guidelines (ADAAG) is applicable to public areas. Accessible routes will be provided to and from building entries.

Plaza areas will have a maximum slope of 1:50. Paved pedestrian ways will have a maximum slope of 1:20. Curb cuts and tactile warning strips will be provided at all crosswalks. Accessible parking will be clearly marked.

Sincerely,

Andrew Arbaugh, ASLA
