Existing Facade

New Facade being submitted for ZBA approval.

We are expanding into Spike's space and relocating our bar. We are seeking approval to replace all of our existing windows with an end fold style that folds and stacks on the interior of the space very similar to "The Foundry's" windows.

We are also seeking preliminary approval to add new signage per Somerville's bylaws to replace the existing "Spike's" signage. Exact logo/design (TBD)

New Signage (TBD)

New Endfold windows that stack inside

New Drink Rail

Lower panels could be filled or glass (TBD)
