**NEW SOMERVILLE HIGH SCHOOL PROJECT
REQUEST FOR QUALIFICATIONS (RFQ) #17-23**

The City of Somerville has issued a Request for Qualifications (RFQ) for Construction Manager at Risk Services (under MGL c.149A) on the New Somerville High School Project at 81 Highland Avenue. Estimated total construction cost is \$200M and estimated project duration is 66 months. This project is currently in Schematic Design Phase. Detailed design begins in March 2017. Anticipated Construction start is Spring 2018. All firms must be prequalified in order to bid on this project. The proposed project involves complex phasing, occupied renovation and historically significant buildings. For additional information, please see the full RFQ which will be available by 9/14/16 at www.projectdog.com and www.somervillema.gov/departments/finance/purchasing/bids. The deadline for submission of Statements of Qualifications (SOQ) is **Wednesday, September 28, 2016 at 2:00PM**. SOQ's must be submitted electronically at www.projectdog.com. The City anticipates completion of the prequalification process by 10/6/16.
