Rule for Award: IFB 15-85

One contract will be awarded to the responsible and eligible bidder offering the lowest overall rates based upon the first year of pricing. **All bids shall be measured by adding the sub total of: 8 hours of regular time labor rates (plus) 8 hours of overtime time labor rates, (plus) 8 hours of usage per piece of equipment, (plus) 8 feet of board sheeting, (plus) one (1) day of insurance cost. The percentage rate of total for Overhead & Profit will be added to the above, to equal the total bid amount.** The calculations are used for purposes of measuring each vendor's bid on an equal footing. The option year renewals will be executed at the discretion of the Purchasing Director.

Please quote the following items. Prices are to include delivery, cost of fuel and all other charges related to the services listed below. Prices are to remain the same for the entire contract period.
