Questions from Prospective Bidders

Please verify if the following pages should be removed from the specs for the above referenced bid:

1. Page 9 that's after page 3 of 3 of Living Wage Ordinance Certification Form (appears to be a duplication)
2. Pages 12-14 after the 2nd page 9 (has 2009-2011 dates)

Replies from City of Somerville:

1. The Quality Requirements Form that is after the "Living Wage Certification Form" is a duplicate.
2. For clarity, the correct Price Form is attached to this Addendum. Please be sure to use this correct form in your BID.
