

Addendum No. 2 to IFB 17-48

CITY OF SOMERVILLE, MASSACHUSETTS
Department of Purchasing
JOSEPH A. CURTATONE
MAYOR

To: All Parties on Record with the City of Somerville as Holding IFB 17-48,
Equipment for Somerville High School – Mechatronics and Industrial Robotics Programs

From: Angela M. Allen, Purchasing Director

Date: February 3, 2017

Re: Bid Deadline Extension, Revised Price Form, Clarification of Portable Learning Systems

- 1) **Bid Deadline:** The deadline for this bid is extended to **Wednesday, February 8, 2017 at 11:00 a.m.** Note the Unforeseen Office Closure language in the bid package sec. 1.5 in the event of a snow emergency.
- 2) A **revised price form** is attached and replaces the price form in the original bid package.
- 3) **Clarification:** The specifications call for portable trainers that may be in suitcases or on benchtops with wheels as stated in Addendum No. 1 issued on 2/2/17. While the City does not have a preference, we are interested in pricing for both options.

The reference to “portable learning systems” in Package A (see price form) is to such portable systems in suitcases.

Alternate pricing for a benchtop system on wheels is requested in the newly added section “Alternates.”

The Rule for Award for Package A will be based on the total price for Package A including “suitcase” portable systems, factoring in any applicable discounts shown at the bottom of the

Addendum No. 2 to IFB 17-48

pricing page. All bidders submitting bids for Package A must include pricing both for the suitcases (in the base price for Package A) and for benchtop-on-wheels systems (in Alternate pricing section).

Please acknowledge receipt of this Addendum by signing below and including this form in your proposal package. Failure to do so may subject the proposer to disqualification.

Name of Authorized Signatory

Title of Authorized Signatory

Item Description		Estimated Quantities	Unit Price	Total
A	Production Technician Certification and Equipment			
	Package should include certification curriculum, class management system, associated software subscriptions, portable learning systems (*suitcase) and accesories for pneumatics, electrical circuits, mechanical systems, and sensors, or equivalent products.	1		
B	Mechatronics Equipment			
	Package should include tabletop mechatronics learning systems (2), PLC systems (4), Inventory feeding station (2), Inspection and indexing station (2), and Sorting and Distribution station (2), or equivalent learning systems and accessories neccessary for operation.	2		
C	Industrial Robotics Certification and Equipment			
	Package should include industrial robot and training cart suitable for classroom use, accessories such as grippers and quality control camera, and associated software and training programs and manuals.	1		
D	Collaborative Robot			
	Collaborative such as a Rethink Robotics Baxter model with mobile pedestal and grip kit or equivalent model and brand.	1		
All quotes must include equipment shipping and installation costs				

Alternates (Package A only)		Estimated Quantities	Unit Price	Alternate Price Package A
A	Portable learning systems (in suitcases) - this amount to show cost comparison between two variants of the portable systems	1 package		N/A - included in Package A at top of form
A-1	Portable learning systems (benchtop systems on wheels).	1 package		

Discounts (optional)		Percent Discount	Discounted Unit Price	Discounted Total
A	Production Technician (incl. portable systems in suitcases)			
A-1	Production Technician (incl. benchtop/wheels portable systems)			
B	Mechatronics (discounted total to show price per package)			
C	Industrial Robotics			
D	Collaborative Robotics			
	Grand Total Discount			

If discounts apply to your bid, the City of Somerville will use the amount(s) stated in the Discounted Total column for each package for which bidder submits a bid as the basis for determining an award.

If the City chooses the alternate portable learning systems (i.e. benchtop systems on wheels) instead of the suitcases in the base price for Package A, the City will use the amount in the Discounted Total column for Package A-1 as the basis for determining an award for Package A.
