1. We received notice of the City of Somerville's solicitation for the IFB # 17-62 Asbestos Abatement on As-Needed Basis and were curious to know if/who the prior term contract holder was?

Response: Southern Middlesex Industries was the contract holder for this on-call service for the City of Somerville during the most recent bid and contract cycle from May 2014 – April 2017.

Addendum No. 2 to IFB 17-62

2. This bid requires a 5% Bid Deposit as noted on the Bidder's Checklist. This addendum has added the price form in Excel with built-in formulas we will use in the bid tabulation. The Excel version also notes that the 5% bid deposit shall be on the total bid amount for year one of the contract based on estimated quantities. Bidders are encouraged to use the Excel version of the price form. The content is, however, exactly the same as it appears in the original bid package, and as such, bidders may use either form.
3. The Rule for Award will factor in pricing for all possible contract years.
4. The deadline for questions is extended to: Monday, April 3, 2017 at 12:00 noon.
