Re: Bid No. 16-74

Medford Street at Pearl Street Sewer Replacement

Pursuant to Section 14 of IFB #16-74, the City of Somerville is canceling its invitation for bids for Medford Street at Pearl Street Sewer Replacement. The Purchasing Director has determined that cancellation of this IFB and rejection of all bids serves the best interests of the City at this time. Bids received will be returned to the submitting vendor, unopened.

It is the City's interest to re-bid this project at a later date. Vendors already registered with the City will be notified when the project is released and will be invited to submit a bid for consideration.

Thank you for your interest in this project.

Sincerely,

Michael Richards
Procurement Analyst
