Re: Bid No. 16-70

ADA Signage Upgrade Installation

Pursuant to M.G.L. c. 30B, §9, the City of Somerville is canceling its invitation for bids for the ADA Signage Upgrade Installation and rejecting all bids received in response to IFB 16-70. The City of Somerville has determined that the proposals received did not meet the DCAMM certification qualifications set forth by MGL c149. The Purchasing Director has determined that cancellation of this bid and rejection of all bids serves the best interests of the City.

The City will be repackaging and re-issuing this project in the coming weeks. We will notify all bidders currently registered as a bid holder when the re-bid will be released.

Thank you for your interest in this contract.

Sincerely,

Angela Allen
Purchasing Director
