Appeal #ZBA 2009-20 was opened before the Zoning Board of Appeals at Somerville City Hall on July 15, 2009. Notice of the Public Hearing was given to persons affected and was published and posted, all as required by M.G.L. c. 40A, sec. 11 and the Somerville Zoning Ordinance. After one hearings of deliberation, the Zoning Board of Appeals took a vote.

DESCRIPTION:

The Applicant is seeking a special permit under SZO §4.4.1 to construct a 27' by 17' deck in the rear yard. The deck would be attached to the structure from an enclosed porch and cover an area that is currently asphalt. The deck floor would be 2' from the ground and a small upper landing would be approximately 4' from the ground to facilitate entry to the house. The deck would be 35' from the front property line and 15' from the side property line.

FINDINGS FOR SPECIAL PERMIT (SZO §4.4.1):

In order to grant a special permit, the SPGA must make certain findings and determinations as outlined in §5.1.4 of the SZO. This section of the report goes through §5.1.4 in detail.

1. Information Supplied: The Board finds that the information provided by the Applicant conforms to the requirements of §5.1.2 of the SZO and allows for a comprehensive analysis of the project with respect to the required Special Permits.

2. Compliance with Standards: The Applicant must comply "with such criteria or standards as may be set forth in this Ordinance which refer to the granting of the requested special permit."

The Applicant requires a special permit under §4.4.1 of the SZO. Under §4.4.1, "the SPGA, as a condition of granting a special permit under this Section must find that such extension, enlargement, renovation or alteration is not substantially more detrimental to the neighborhood than the existing nonconforming structure."

The Board finds that the Applicant's proposal would not be substantially more detrimental to the surrounding neighborhood than the existing structure, as required under §4.4.1 of the SZO. The Board finds that any negative impacts associated with the appearance and/or privacy of the neighbors to be minimal. The deck would be located in an area that is currently asphalt so no landscaping or pervious surfaces will be removed. The Board will require a landscaping plan be submitted for Staff approval that will serve to reduce the massing of the deck from the public way and improve the appearance of the neighborhood.

3. Consistency with Purposes: The Applicant has to ensure that the project "is consistent with (1) the general purposes of this Ordinance as set forth in Article 1, and (2) the purposes, provisions, and specific objectives applicable to the requested special permit which may be set forth elsewhere in this Ordinance, such as, but not limited to, those purposes at the beginning of the various Articles."

The Board finds that the proposal **is consistent** with the purposes set forth in Article 1 of the Zoning Ordinance, and with, to the extent possible for a lawful pre-existing nonconforming structure, those purposes established for the Residence B (RB) zoning district in which the property is located, namely "(t)o establish and preserve medium density neighborhoods of one-, two- and three-family homes, free from other uses except those which are both compatible with and convenient to the residents of such districts."

4. Site and Area Compatibility: The Applicant has to ensure that the project "(i)s designed in a manner that is compatible with the characteristics of the built and unbuilt surrounding area, including land uses."

The Board finds that the proposal **is compatible** with the site and area. The deck would be an addition to the neighborhood appearance as it would be covering an asphalt area. The Board finds the low profile of the deck to minimize any visual impacts to the surrounding neighborhood.

DECISION:

Present and sitting were Members Herbert Foster, Orsola Susan Fontano Danielle Fillis, Elaine Severino and Josh Safdie with Scott Darling and Richard Rossetti absent. Upon making the above findings, Susan Fontano made a motion to approve the request for a special permit. Josh Safdie seconded the motion.
