<u>Zoning Approval Sought:</u>	§4.4.1
<u>Date of Application:</u>	October 24, 2008

Appeal #ZBA 2008-55 was opened before the Zoning Board of Appeals at Somerville City Hall on November 19, 2008. Notice of the Public Hearing was given to persons affected and was published and posted, all as required by M.G.L. c. 40A, sec. 11 and the Somerville Zoning Ordinance. After one (1) hearing(s) of deliberation, the Zoning Board of Appeals took a vote.

DESCRIPTION:

The Applicant is proposing to construct the porch to be 7 feet by 28 feet to extend the length of the front façade. The design of the porch would match that of the house next door to the right. The porch would be made of wood or a wood composite with a matte finish.

FINDINGS FOR SPECIAL PERMIT (SZO §4.4.1):

In order to grant a special permit, the SPGA must make certain findings and determinations as outlined in §5.1.4 of the SZO. This section of the report goes through §5.1.4 in detail.

1. Information Supplied: The Board finds that the information provided by the Applicant conforms to the requirements of §5.1.2 of the SZO and allows for a comprehensive analysis of the project with respect to the required Special Permits.

2. Compliance with Standards: The Applicant must comply "with such criteria or standards as may be set forth in this Ordinance which refer to the granting of the requested special permit."

In considering a special permit under §4.4 of the SZO, the Board finds that the alterations proposed would not be substantially more detrimental to the neighborhood than the existing structure. The reconstruction of the front porch with an increase in the length of approximately 11 feet would improve the appearance of the dwelling.

3. Consistency with Purposes: The Applicant has to ensure that the project "is consistent with (1) the general purposes of this Ordinance as set forth in Article 1, and (2) the purposes, provisions, and specific objectives applicable to the requested special permit which may be set forth elsewhere in this Ordinance, such as, but not limited to, those purposes at the beginning of the various Articles."

The proposal is consistent with the general purposes of the Ordinance as set forth under §1.2, which includes, but is not limited to conserving the value of land and buildings and the purpose of the Residence A district.

4. Site and Area Compatibility: The Applicant has to ensure that the project "(i)s designed in a manner that is compatible with the characteristics of the built and unbuilt surrounding area, including land uses."

The proposed porch would match the porch to the right of the property. It would improve in design by being made of consistent materials and spanning the length of the house.

DECISION:

Present and sitting were Members Herbert Foster, Orsola Susan Fontano, Richard Rossetti, Danielle Fillis and Scott Darling. Upon making the above findings, Susan Fontano made a motion to approve the request for a special permit. Scott Darling seconded the motion.
